TECHNICAL EDUCATION ACADEMY

Samir Agayev

Instructor

As a Specialist with over nineteen years of experience in QHSE Management, Auditing, Coaching, Training Delivery/Assessment, and Quality Assurance, I bring a wealth of expertise and a proven track record of success in high-stakes environments. My career spans significant field experience in completing a variety of major projects within the Oil & Gas industry, including construction, fabrication, upgrades, and commissioning.

I have also accumulated substantial overseas work experience in the Gulf Region, contributing to projects in Qatar and the UAE. My deep understanding of QHSE standards is grounded in my extensive experience with standards established by prominent organizations and awarding bodies such as ISO, City & Guilds, OPITO, and OSHA.

I hold an NVQ / QCF Level 3 Award in Education and Training, along with a Level 4 Award in Internal Quality Assurance of the Assessment Process. I am adept at delivering certified training courses such as NEBOSH, IOSH, and ISO 45001:2018, which are tailored to meet the specific needs of the industry and enhance team capabilities.

I am eager to work in challenging, innovative, and highly competitive environments, providing relevant support to ensure successful project delivery. My background and skills equip me to make a significant impact in any project, driving both safety and efficiency.
